Registration Information

It's helpful to have a few adults from the school supporting the plungers to raise funders. A few things they'll need to know:

1. Each plunger must have a signed waiver. This can be done by paper copy (attached to this package) or online if individual plungers sign up to fundraise that way.
2. The registration fee per plunger is \$75 and most people fundraise that amount.
3. Even if your students aren't raising money online, we hope that you will Sign them up as a team online still too. Some parents will donate that way and it shows community support for the event. Register your team at www.thunderbaypolarbearplunge.ca
4. The pledge sheet is attached to this package. Donation receipts are emailed only for all donations \$20 or more and who have given clear information on the sheet (full address and clear email address).
5. Students can collect pledges on their paper copy, and these should be turned in on April 12th from 5-8 pm at the Prince Arthur Hotel.
6. Students can also raise money online by registering at www.thunderbaypolarbearplunge.ca
7. If you want your team's fundraising goal to be updated online (but they're collecting cash) then you can bring cash donations in regularly to Roots to Harvest at 450 Fort William Rd, and we will update your teams total.
8. We know this is a LOT of work, and we can't do it without you. The Cool Schools Category is a huge part of the success of this event so THANK YOU so much for helping in this way!

School Fundraising Ideas:

1. Register your team online and share the link for support on your schools Facebook page and in your school newsletter.
